Previously the CRDC collected disaggregated data on graduates with a regular diploma and graduates with another credential. The CRDC also collected data on students with disabilities by disability category. Your LEA also reports this data to your state education agency, which reports it to ED(EDFacts DG 306 and EDFacts DG 74). To reduce burden, the CRDC will no longer collect this data directly from LEAs. Instead, the data that your LEA provides to the state education agency will become part of your LEA's CRDC submission.

Your LEA's certification of its CRDC data includes verifying the accuracy of the data that your LEA submitted to the state education agency.
